NEED BETWEEN INDIA AND CHINA: HISTORICAL EXPERIENCE AND NEW PROSPECTS FOR YOUNG HIMALIAN REPUBLICS

Pilash D.M.,

*Postgraduate Student at the Department of Regional Studies
of the Institute of International Relations
of the Taras Shevchenko National University of Kyiv*

The article deals with the development of Nepal's asymmetric relations, which took place through a radical transformation of the political system in the 21st century. (From an autocratic monarchy to a Nepalese federative democratic republic), with large neighbors - the Republic of India and the People's Republic of China. The events that caused internal changes in Nepal are analyzed: civil war, royal revolution of 2005, People's Movement of 2006, establishment of the republic in 2007. The foreign policy strategies of the leading political forces of the country - the Maoists, the Nepal Congress, the Communist Party of Nepal (O 'united Marxist-Leninist) are compared. Conclusions are drawn about the growth of Nepal's role in supporting international security in the South Asian region and in establishing Indian-Chinese cooperation.

Key words: China, India, international relations, Maoists, Nepal, Civil war in Nepal, South Asia, regional cooperation, SAARC.

INTERNATIONAL EMPLOYMENT IMMIGRATION IN THE EUROPEAN UNION, AS A TOOL FOR ECONOMIC AND DEMOGRAPHIC POLICY

Piassetska-Ustych S.V.,

*Candidate of Economic Sciences,
Associate Professor at the Department of Economic Theory
of the Uzhgorod National University*

Kovach T.Iu.,

Uzhgorod National University

International labor migration of the population of Europe at the moment has received a serious scale. For economic and social reasons, migrants from underdeveloped countries move to European countries to find work. So, Europe deals with economic immigration of the population, with the uncontrollability of this process can lead to negative consequences for donor countries and recipient countries of labor. Using the methods of analysis, synthesis, combination of historical and logical methods, the method of alternative possibilities, the article describes the current state of international labor migration in European countries. As a result, the influence of multiculturalism on the socio-economic status of countries participating in the international division of labor has been determined.

Key words: international labor migration, European Union, integration, fragmentation, segregation, demographic policy, multiculturalism.
